

ABOUT US

GradeOne Group was established in **2018**, in Abu Dhabi, the United Arab Emirates. In early **2019**, GradeOne acquired the MP3 International Group of Companies, an Abu Dhabi based highly skilled defense, security, law enforcement, rescue services, and sporting & hunting products and services supplier and manufacturer, with over **16 years'** experience in the industry.

GradeOne Group specializes in providing military hardware, equipment, pyrotechnics, ammunition, and supplies, to the various military sectors – army, special forces, navy, air force, law enforcement and rescue services. The Group also provides sporting and hunting equipment, supplies and accessories.

The Group has an established significant international network of partnerships and competencies with international suppliers, allowing GradeOne to deliver innovative and structured solutions that meet and exceed clients' needs and requirements. We are focused on providing our services to our clients – delivering unmatched quality and service excellence.
